Fine particle filters Dahle 20710

Pull-out rounded top frame that's kind on the fingers when changing the waste bag

Separate, integrated waste boxes help to sort shredded paper, CDs, DVDs, cheque and credit cards for eco-friendly recycling

Environmentally friendly filter is made of special 3-ply, fully recyclable non-woven material

Powerful fan sucks in fine dust particles inside the document shredder and feeds them to the filter

P-2 security: recommended, for example, for data media containing internal data that are to be made illegible
