

HSM Powerline FA 500.3 - 3.9 x 40 mm

HSM Powerline FA 500.3 heavy duty document shredder

The top model of the HSM Powerline heavy duty document shredder range. This powerhouse is perfect for the shredding of large quantities in archives or central document shredding stations.

Technical data

Order number:	1994114	Voltage / Frequency:	400 V / 50 Hz
EAN	4026631043748	Intake width:	500 mm
Cutting type:	particle cut	Container volume / collecting:	530 l
Cutting width:	3,9 mm	Noise level (idle operation):	ca. 65 dB(A)
Particle length:	40 mm	Weight:	905 kg
Security level (DIN 66399):	E-3 F-1 O-3 P-4 T-4	Shredder material:	Paper, Staples and paper clips, Credit card, CD/DVD, USB sticks, Crumpled paper, Floppy disk, Computer listings
Cutting capacity in sheets 80g/m²:	180 - 200		
Driving power:	7,5 kW		

Product information

We have integrated an automatic oiler into the device which will ensure it runs smoothly, giving you a consistently high cutting capacity and quality.

The device can be used on a mobile basis and has smooth-running, stable castors with a parking brake.

The induction-hardened, solid steel cutting rollers are robust and ensure a high level of durability.

Specially hardened solid steel cutting rollers

The induction-hardened solid steel cutting rollers are wear-resistant and guarantee durability.

Continuous operation

Powerful drive allows continuous operation.

Functional operator control panel with LED indicator

Clear signals showing the operating status of the data shredder are vital. The functional operator control panel with an LED indicator provides this information very clearly.

Convenient working height

The height at which the data media is inserted into the shredder means working with it is easy and convenient.

User safety through emergency off switch

It may be necessary to stop the machine immediately so we have equipped the device with an emergency off switch.

Effortless emptying

The device has a removable trolley (easy to get out of the machine) and the collecting bag itself can be re-used.
