LEITZ IQ OPTIMAX

A new spin on paper shredding

*OptiMax tested with and without bin rotation technology.

LEITZ IQ OPTIMAX P5 OFFICE SHREDDER

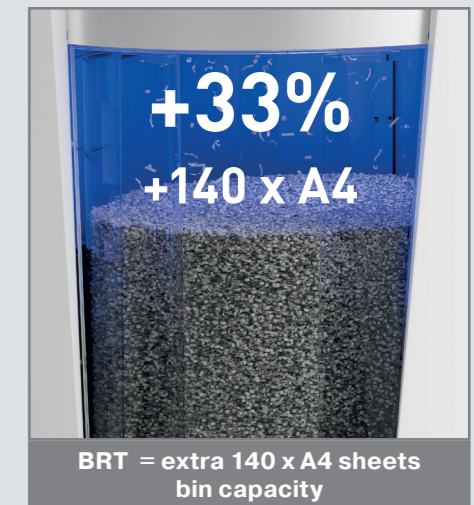

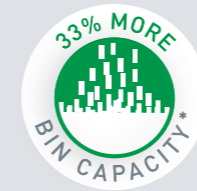

Ideal for daily use in any office

IQ OptiMax features unique Bin Rotation Technology (BRT), effectively maximizing capacity by +33%. The rotating bin ensures flat and even paper distribution and eliminates shredded paper forming a peak in the bin. This allows an additional 140x A4 sheets to fit in the bin before it requires emptying. Bin Rotation Technology means there's no need to remove or shake the bin; the 'bin full' indicator activates only when it reaches 100% capacity.

OptiMax offers an innovative and stylish shredding solution, whilst ensuring exceptional document security and peace of mind.

- Bin holds 550 x A4 sheets; +33% compared to no BRT
- High security DIN P5 shredder
- Micro-cut particles allows for more sheets in the bin
- Shredder bin illuminates blue when in use
- Transparent bin is easy to remove
- Intuitive control panel includes LED indications
- Size 406 x 589 x 320 mm (W x H x D)

Description	Cut Type	P-Security	Code
IQ OptiMax Office	Micro cut	P-5	83600000

Leitz IQ OptiMax features a world-first rotating bin technology, ensuring even paper distribution for maximum bin capacity. A revolutionary shredding experience for the workplace, that makes you feel good.
